RELEVANT COURSES Typography I – III, Graduate Typography III

EXPERIENCE

MSCHF / Ideal Model Corporation

JUN 2026 — JUL 2026
BROOKLYN, NY

Film Pitch Deck Design Intern

- Designed 4 film pitch decks across diverse genres, translating filmmakers' creative visions into compelling visual presentations
- Collaborated with filmmakers and creative directors to develop visual concepts, refine typography and layouts, and incorporate iterative feedback
- Adapted quickly to direct feedback, rebuilding a film pitch deck within half a day to align with the supervisor's creative direction
- Managed multiple projects with overlapping deadlines, prioritizing tasks and coordinating revisions in a fast-paced creative environment
- Participated in creative brainstorming sessions and film marketing strategy discussions

RISD Print Center

JAN 2025 — PRESENT
PROVIDENCE, RI

Print Center Monitor

- Operated large-format printers and managed print production, including file preparation, paper selection, and color management
- Reviewed print-ready PDFs, troubleshot technical issues, and ensured accurate, high-quality printed output
- Assisted up to 30 students a day with printing techniques, material selection, and technical troubleshooting to meet their project needs

Clocky

MAY 2025 — OCT 2025
BROOKLYN, NY

Graphic Design Intern

- Designed promotional graphics, including posters, social media content, and short-form videos to communicate product features
- Developed packaging designs for new product launches within the existing visual identity
- Collaborated with designers to refine brand guidelines, including typography and color systems

LEADERSHIP EXPERIENCE

Full Stack at Brown University

JAN 2025 — PRESENT
PROVIDENCE, RI

Design Consultant, UI/UX Designer

- Served as the primary liaison between the *Musical Forum* clients and the developers in a student-led full-stack web development organization
- Improved project efficiency and helped complete the design phase two months earlier than the previous year's project
- Communicated regularly with clients to incorporate feedback and clarify project expectations
